Trentium Lifesciences Pvt. Ltd.
(Formerly known as Griffon Biometrix Pvt. Ltd.)

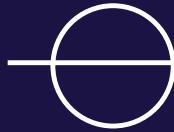

ABOUT US

www.trentiumls.com

We are regarded as a leading contract manufacturing facility for cosmetic and pharmaceutical topical products. Our team of skilled experts brings a wealth of experience in these areas. Our goal is to manufacture products on a third-party and loan license basis for reputable companies, building long-term, mutually beneficial partnerships for both domestic and international markets.

WE OFFER

◆ Contract Manufacturing

Trentium Lifesciences is your ideal partner for contract manufacturing, specializing in a wide range of pharmaceutical and cosmetic products.

◆ Product Development

We excel in transforming concepts into complete products, leveraging our expertise in both cosmetics and pharmaceutical product development.

◆ Private Label Manufacturing

Choose from our pre-tested formulas in our extensive portfolio and customize the packaging under your brand name. This streamlined approach allows you to establish your company's brand with minimal effort and cost-effective solutions.

◆ Our Services Include:

Formulation Development & Product/Process Optimization

Execution of Pilot & Pivotal Studies
